

FabriClean

Carpet and Upholstery Cleaner & Odor Eliminator

FabriClean

Carpet & Upholstery Cleaner & Odor Eliminator

FabriClean permanently removes stains and odors using active enzymes. The active enzymes get to the root of the problem digesting the stain and destroying the odor-causing bacteria. The advanced, deep-foaming formula penetrates and lifts stubborn stains on a variety of materials such as carpeting, upholstery and automotive interiors.

- **Active Enzymes** eliminate organic matter & foul odors destroying the stain and odor causing bacteria in one-step to save time and money.
- **Advanced Cleaning With Foaming Action** penetrates the carpet or fabric for a deeper, effective clean using less product and less muscle saving money and time.
- **Cleans and deodorizes** in one step leaving behind a pleasant fresh fragrance saving time and money.
- **Ideal For Most Carpeting**, upholstery and automotive Interiors.
- **Inverted Valve** for easy, comfortable application can be applied in any direction for easier application when applying downwards on carpeting or sideways on upholstery.
