

DIAMOND Cut-Off Wheels

YOUR CHOICE: 3 SPECIAL OFFERS

Diamond Cut-Off Wheels

- Aggressive diamond grits will easily cut angle iron, pipe, electrical conduit, rebar, metal stud, structural metal which make them a versatile option to reduce wheel changeouts.
- Features **Vacuum Brazed Diamond Grit** that adheres to the wheel longer and better and generates less dust than standard abrasive cut-off wheels, which makes for a cleaner, safer cut.
- Unlike regular abrasive cut-off wheels that change diameter during the cutting operation, IBS Diamond Cut-Off Wheels **maintain a maximum cutting depth throughout the life of the wheel.**
- Diamond cut-off wheels can be used in **WET or DRY applications** and save time and money on multiple job applications and wheel changeouts.

Available in two sizes:

- **3" wheel** for use on most popular pneumatic cut-off tools which are widely used in automotive body shops and many other manufacturing facilities.
- **4-1/2" wheel** that fits on most popular hand-held electric angle grinders

IBS No.	Description
69300	3 X 1/16 X 3/8 Diamond Cut Off Wheel
69302	4-1/2 x 1/16 x 7/8 Diamond Cut Off Wheel

FREE 2 Pc Folding Pocket Knife & Fork Included with a QUALIFYING PURCHASE of (3) Wheels!
