

DUAL-GUARD

PREMIUM-IMPACT TO SPLASH GOGGLE

DUAL-GUARD

Anti-Fog Safety Goggles

IBS No. 28085

DUAL-GUARD is a premium impact to splash goggle, that easily converts from impact mode to splash mode and back again.

- Strong, polycarbonate wrap-around lens is surrounded by a sturdy vinyl frame for extra durability and maximum visibility, providing front and unparalleled vision for 180° side to side viewing to avoid hazards and keep workers safe.
- Designed to comfortably fit over many styles of eyeglasses, saving hundreds of dollars on the need for special goggles with corrective lenses.
- Adjustable headband ensures a comfortable, yet secure fit.
- Meets ANSI Z87.1+ and CSA Z94.3 impact standards.

Removable inserts convert Dual-Guard from a splash to well-vented impact only goggle in seconds.
