Most cleaning wipes only clean simple dirt and grease, but IBS has the toughest cleaner in the convenience of a pre-moistened towel. One side is smooth – the other side has added “muscle beads” to provide a slightly rough texture when more cleaning muscle is needed.

### Industrial Formula

- **Removes Tough Soils & Stains** – Grease, tar and asphalt, nail polish, paint, varnishes, scuff marks, coffee stains, most graffiti, crayon, tree pitch, permanent marker, tape residue, counter and carpet stains, plastic pipe cement, and more!
- **Safe & Effective on Hands** – Designed to absorb soil and not transfer back on hands. Conditions hands with aloe, vitamin E and emollients.
- **Removes odors**– Effective odor removing formula neutralizes odors from hands such as diesel, fish and onion smells.
- **Multi-Purpose** – Effectively cleans tools, equipment, sports, shoes, vinyl, stainless steel, recreational items, hands and more!
- **Heavy Duty Design** – Will Not Shred!
- **No Sticky Residue** – Leaves hands and surfaces clean and not sticky.
- **Fast, versatile and easy to use** – Cleans most surfaces quickly and easily.
- **Non-Flammable.**
