## IMPACT TORSION DRIVER BITS

### Features & Benefits

- **Innovatively designed flex tech torsion zone absorbs high torque stress and reduces bit fracture** make these bits perfect for use with impact drivers for faster and easier screw driving and assembly saving time and money.
- **Proprietary tool steel and heat treat process for maximum strength and durability** ensures superior service life even under extreme conditions saving money in bits and change-out time.
- **Hardened S2 Modified Impact Resistant Steel** for extended bit life.
- **CNC milled magnetic tips make for precision mating with screws offering a supreme grip with minimal slippage** for faster, easier and safer screw driving saving time and money.
