THE ULTIMATE SHOCK ABSORBER FOR EXTREME STANDING OR KNEELING!

IBS Standing Mats, Body Mats, Knee Pads and Pocket Knee Pads are made of heavy resilient, closed cell foam rubber, not hard plastic. Sized right for your shop, pocket or tool box, these mats will not compression set or absorb liquids. They are impervious to petroleum products and are self-extinguishing. Great for severe kneeling conditions on cold hard steel, concrete and gravel surfaces.

- Reduces knee trauma and low backstress
- 1" thick foam rubber construction
- Prevents compression setting
- Impervious to petroleum
- Self extinguishing and non-conductive
- Non-absorbent
- Silicone free
- Built-in handle
- Easy to clean
- Easy to carry
- Easy to store.
