

# NO MORE BURRS!

## BETTER BURR REMOVAL with STEM THREAD CLEANING BRUSHES

## STEM THREAD BRUSH ASSORTMENT SPECIAL

IBS No. 839R

Specially designed internal brushes for **THREADED ITEMS** such as studs and bolts.

- Brushes come in a variety of diameters to cover all / most thread sizes.
- Brushes have a 1/4" stem for mounting in drill motors and die grinders — No need to remove the piece for brushing and cleaning. This means faster clean up of rotating parts, saving users time and money.

SAVE 36%!

ALL 5 SIZES

### APPLICATIONS INCLUDE:

Removal of burrs, rust, paint, etc.

REMOVE BURRS, RUST, PAINT, ETC. — SAVE 36%!
