PM014

- **Effortless Wire Stripping** – Automatically adjusts to strip both solid and stranded wires from 10 to 26 gauge with ease.
- **Precision Cutting** – Cleanly cuts through 10 to 22 gauge terminals for smooth, reliable connections.
- **Efficient Crimping** – Delivers secure crimps on 10 to 22 gauge terminals for a strong, lasting hold.
- **Versatile and User-Friendly** – Handles all wire types from 10 to 26 gauge, including solid and stranded, making every task simpler and faster.

WALL NUTS, LEVER NUTS & CLEAR LEVER NUTS

See the Safety:

- **Clear housing** for easy visual confirmation.
- **Test port** for quick continuity checks.

Fast, Easy Installation:

- No twisting or taping.
- Simply strip the wire, insert, and connect.

Safe:

- Individually held wires prevent loose connections.
- Touch-proof, rated to 105°C.
- UL listed/CSA certified for 600V (1000V for fixtures/signs).

Save Time:

- Up to 50% faster installation.
- Secure connections reduce troubleshooting and warranty costs.

| P/N | WALL NUTS | PKG |
|---------|-----------|-----|
| 773-162 | 2 Wire | 100 |
| 773-164 | 4 Wire | 100 |
| 773-166 | 6 Wire | 100 |
| 773-168 | 8 Wire | 50 |
| 773-173 | 3 Wire | 50 |

Fast, Easy Installation:

- **Spring pressure connection** ensures a secure, locked connection.
- **Built-in test port** for continuity testing.
- No twisting or taping—just strip, insert, snap, and done!

Safe:

- Individually held wires prevent loose connections.
- Touch-proof, rated to 105°C.
- UL listed/CSA certified for 600V (1000V for fixtures/signs).

Save Time:

- Up to 50% faster installation.
- Secure connections reduce troubleshooting and warranty costs.

| P/N | LEVER NUTS | PKG |
|---------|------------|-----|
| 222-412 | 2 Wire | 50 |
| 222-413 | 3 Wire | 50 |
| 222-415 | 5 Wire | 40 |

See the Safety:

- **Clear housing** for visual confirmation.
- **Test port** for easy continuity testing.

Fast, Easy Installation:

- Connects solid, stranded, and fine-stranded conductors (24-12 AWG, Inline 20-12 AWG).
- Lift lever, insert conductor, and push lever down.

Safe:

- Individually held wires prevent loose connections.
- Touch-proof, rated to 105°C.
- UL listed/CSA certified for 600V (1000V for fixtures/signs).

Save Time:

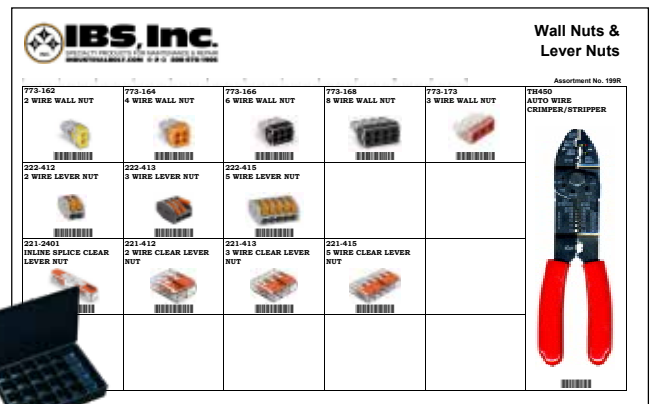

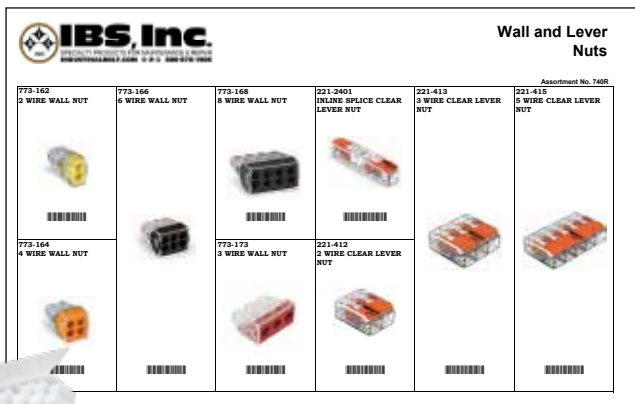

- Tool-free connection and disconnection with lever design.

| P/N | CLEAR LEVER NUTS | PKG |
