22113	1/2 G70 Clevis Grab Hook Transport ZY with Latch	11,300	\$35.59	\$41.87	2

- Slide the clevis pin into hook to attach chain.
- Hook has narrow throat precisely aligned to grip a single link of chain.
- Hooks for Grade 70 chain meet DOT requirements and are often used with transport chain to secure loads.

### WARNING:

- **Never lift with the hook tip** – always ensure proper hook engagement for secure lifting.
- **Avoid point loading a hook** – distribute weight evenly to prevent stress and damage.
- **Do not use hooks for lifting personnel** – they are not designed for human safety.
- **Inspect hooks before every use** – check for wear, distortion, or damage. If any issues are found, discard and replace immediately.
