

# FREE CRAFTY Folding Utility Knife with PURCHASE OF ANY TWO PACKAGES

## RIPPER™

**Cut-Off & Combination Cut/Grind Wheels**  
For Use on Stainless Steel, Sheet Metal, Ferrous & Non-Ferrous Metals & Copper Tubing Applications

### RIPPER Cut-Off Wheels:

- **Excellent abrasive technology** with a highly advanced bond system is engineered for durability which means it will outlive other wheels by 3 to 10 times - resulting in fewer wheel change outs and reduced labor costs.
- Manufactured with an **extraordinarily tough abrasive blend** that continuously exposes new abrasive material for a constant aggressive cutting edge that won't load and will cut cooler – for a wheel that cuts faster and lasts longer.
- Each wheel is **protected with our unique moisture blocker** eliminating up to a 50% loss in performance that results when an abrasive absorbs moisture in the air - assuring optimal life and consistent performance for the life of the wheel.

### RIPPER — CUT OFF WHEELS

IBS No.	Dimension Dia. x Thickness x Bore	Description	Type	MAX RPM	Package Quantiy
62541	4-1/2 x .045 x 7/8"	Cut Off	27	13,300	10
69540	4-1/2 x .040 x 7/8"	Cut Off	1	13,300	10
69560	6 x .045 x 7/8"	Cut Off	27	10,185	10
62560	6 x .045 x 7/8"	Cut Off	1	10,185	10
62540	4-1/2 x .032 x 7/8"	Thin Cut Off	27	13,300	10
62545	4-1/2 x .075 x 7/8"	Cut Off/Grind	27	17,900	10
