

# Clean Coils Today – Beat the Heat Tomorrow!

## Now is the Time for Coil Cleaning!

As temperatures rise, it's the perfect time to get HVAC systems ready for peak performance. Before switching on any air conditioning units, it's essential to **clean outdoor condenser coils and inspect indoor evaporator coils**—especially after a harsh winter or if fall maintenance was skipped.

## Why does it matter?

Dirty condenser coils can increase energy consumption by over 30%; That's a major hit to efficiency—and the bottom line. Best practice: clean condenser coils at least every six months, and always check evaporator coils during spring start-up.

## The Safer, Smarter Coil Cleaner

Traditional acid-based coil cleaners pose serious risks—they're corrosive, hazardous, and require extreme caution. That's why IBS offers a **non-acid coil cleaner** that's powerful, yet safe. It **penetrates deep into coils, then foams up to lift and flush out dirt, grime, and oxidation**—without the danger of acid.

## Cleaner coils mean:

- Lower energy costs
- Improved system performance
- Longer equipment life
- Fewer emergency service calls

Make coil cleaning a must-do every spring—and use a cleaner that works harder, not harsher. That's where IBS coil cleaning solutions come in—**engineered for deep cleaning power without the dangers of acid-based formulas.**

## And now's the time to stock up:

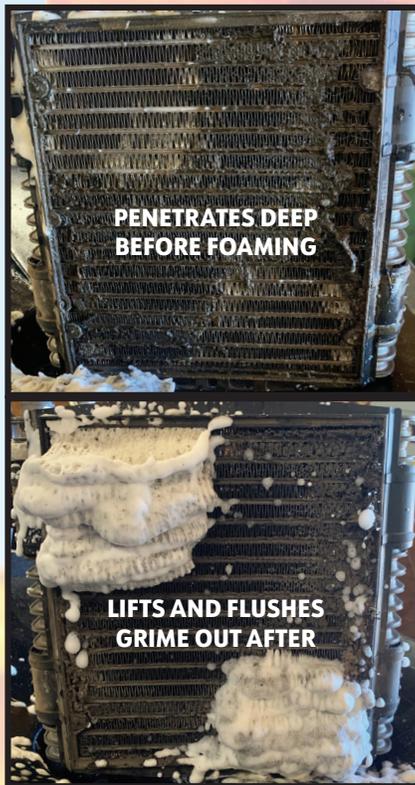

For a limited time, receive a **FREE** award, with qualifying orders, when purchasing our AC maintenance products.

AC Condenser Coils

AC Evaporator Coils

## COIL & FILTER CLEANER IN ACTION

PENETRATES DEEP BEFORE FOAMING

LIFTS AND FLUSHES GRIME OUT AFTER

Buy ANY 12 Cans and receive a **FREE 15-in-1 SMARTKNIFE!**

Crafted from high quality black oxidized 420 stainless steel, built to tackle any task. It features:

- 2.375" Blade, Semi-Serrated
- Bottle Opener
- Screwdrivers
- 5 Wrenches
- Pry bar
- 2 Rulers
- File
- Wire Strippers
- Magnetic Bit Holder
- Pocket Clip

**\$35 VALUE!**

Buy 4 Gallons and receive a **FREE Pump Sprayer!**

1/2 GALLON PUMP SPRAYER
